**SEXUAL HARASSMENT POLICIES & GRIEVANCE PROCEDURES**

**I. Policy**

It is the policy of Modern Welding School (the “School”) to maintain an environment for students, faculty, administrators, staff, and visitors that is free of all forms of discrimination and harassment, including sexual harassment. The School has enacted the Sexual Harassment Policies & Grievance Procedures (the “Policy”) to reflect and maintain its institutional values, to provide for fair and equitable procedures for determining when this Policy has been violated, and to provide recourse for individuals and the community in response to violations of this Policy.

The Policy can be found at the School’s website at [www.modernwelding.com](http://www.modernwelding.com) or obtained in person from the Title IX Coordinator (see below).

The School does not discriminate on the basis of sex in its educational, extracurricular, or other programs or in the context of employment. Sex discrimination is prohibited by Title IX of the Education Amendments of 1972, a federal law that provides:

*No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.*

This Policy prohibits all forms of sex discrimination, harassment, and misconduct, including sexual assault, domestic violence, dating violence, and stalking. The requirement not to discriminate in the School’s education programs or activities extends to admission. This Policy also prohibits retaliation against a person who has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this Policy. Inquiries about the application of Title IX may be referred to the School’s Title IX coordinator, the U.S. Department of Education Office for Civil Rights, or both.

The School also prohibits other forms of discrimination and harassment, including discrimination and harassment on the basis of race, color, national origin, disability, or age in its programs and activities. The following person has been designated to handle inquiries regarding the non-discrimination policies, including Title IX:

Modern Welding School desires to create and sustain an anti-discriminatory environment and will not tolerate discrimination of any kind. The School will achieve this through education, orientation, and training for all students, staff, and faculty for the purpose of creating awareness of both the issues surrounding discrimination as

well as accountability, sensitivity training, and anti-discrimination training in their classrooms, at least once while the student is in school.

## **II. Sexual Harassment Grievance Procedure**

Reports of sexual harassment should be made to the School's Title IX Coordinator or to a Designated School Official. As set forth in the Policy, the School's Designated School Officials are the President, Vice-President, and Director. The School will respond promptly when it has actual knowledge of sexual harassment in its education programs or activities. The Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.

The School will investigate all formal complaints of sexual harassment. A formal complaint must be in writing, filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent, and request that the School investigate the allegation of sexual harassment. A formal complaint form may be obtained from the Title IX Coordinator, although no particular form is required to submit a formal complaint so long as the complaint is in writing, signed by a complainant, alleges sexual harassment against a respondent, and requests an investigation. The School's Title IX Coordinator oversees the School's investigation, response to, and resolution of all reports of prohibited sexual harassment, and of related retaliation, involving students, faculty, and staff.

If all parties voluntarily agree to participate in an informal resolution that does not involve a full investigation and adjudication after receiving notice of a formal complaint and if the School determines that the particular formal complaint is appropriate for such a process, the School will facilitate an informal resolution to assist the parties in reaching a voluntary resolution. The School retains the discretion to determine which cases are appropriate for voluntary resolution.

The School will convene a hearing panel following the end of an investigation. The hearing panel determines whether the respondent is responsible or not responsible for a violation of the Policy. If the respondent is determined to be responsible, the written determination will include the sanctions to be imposed upon the respondent. The Policy provides that the parties have the right to appeal the hearing panel's determination under certain circumstances.
